Another color I love but is hard to find as it is an old Rynne color is Imperial Jade

Really I paint just about everything with this palette of colors. It is my standard palette..

Brushes: Aquaflow, 3/8, 1/2, 5/8, 3/4 Series 920

A good liner of scroller

6/0 Dresden detail brush, Scharff Series 455

In that same 455 series I like the #6 too.

Bring what brushes you have though. They just need to make a good chisel edge.

Medium: I use a medium I make because I am allergic to many with Lavender Oil

4 Parts Turpenoid Natural to 1 part Balsam of Copabia.

This has a reaction when you mix it but clears up. This is my brush cleaner and painting medium.

Other Supplies:

Viva Paper towel. tile for mixing, palette knife, stylus, tracing supplies, wipe out tool.

Dish for medium. Graphite pencil, paper for notes or sketches.

Extension cord and work lamp.

Come with a positive attitude and you will be surprised at the outcome.

Looking forward to seeing you, On the Road Again!
