

Supply List For class
Nancy Bergman 2017

Welcome to luster:

What I will have for sale:

· I prefer that you purchase luster from me for this class as they are already conditioned for immediate painting. You can still use your own lusters – I just cannot guarantee the results.

What to bring:

· Mask – if you do not like the smell. I buy 3M 8577 Niosh P95 (it has a plastic knob on the tip & is disposable) at Home Depot or Menard's. I will bring extra to sell. COST around \$9.00. Most people don't need a mask.

· Sponges – Pink or make-up

· Luster – Colors: Bring all of your lusters.

o I will look at each bottle of luster to make sure it is of the right consistency.

· Brushes – I will have brushes for sale. If you want to buy brushes...buy cheap or synthetic brushes from Michael's. NOT PLASTIC! Three or four brushes – 4 med size square shader (#10) & 1 round

· Pure Gum Turpentine

· Mixing tiles – must have 2 or 3

· Palette knife

· Luster essence – I will bring mine to sell

· Stylist

· Pens and nibs – for pen work or for gold work and brush

· Non-ping or raise paste (or similar products)

· Three tubes of dry paint – pick 3 different colors (Yellow, Turquoise, American Beauty) or, similar colors.

· Fast Drying Water Base medium for mixing paint

· Bright Gold or burnished gold and lavender oil

· Metallic Paint

· Fat Oil

· Turpenoid Natural – to clean brushes - Jar to clean brushes

· 3M Vinyl Blue Tape – ¼" car striping tape from Auto store

· Red Resist - water base – brush for resist

· Bring your tools that are necessary to work with on your project.

· Stilts - to hold ornaments that are fired in the kiln. You will want at least 4 stilts. I have stilts to share (not for sale).

· Box or container to get wet items safely home to do last fire.

· Porcelain for class will be purchased from Nancy Crites at the show.

Bring your imagination!

If there is anything else I can help you with, please let me know. I will have a few items not listed for you to use – my complements. I have also mixed up special paints and lusters for this class.
